

Hannah is a 6-year-old from Milwaukee who is living with a chronic lung disease. She is an outgoing girl who likes to be the center of attention and likes to watch “Curious George” and “Trolls.” She wished to go to *Walt Disney World*® Resort, and thanks to your support, her wish came true!

It began with a surprise limousine ride to the airport where Hannah and her family caught their flight to Orlando. They stayed in their own private bungalow at a special resort designed just for wish children – Give Kids The World Village. They took advantage of all the resort had to offer, including heated swimming pools, a movie theater, an ice cream parlor and a life-size game of Candy Land.

They discovered all the magic of Disney as they explored *Magic Kingdom*®, *Disney's Animal Kingdom*® Park, *Epcot*® and *Disney's Hollywood Studios*™. Hannah and her family enjoyed quality time together at the most magical place on earth; it was the experience of a lifetime! They returned home with photos, souvenirs, and priceless memories, giving them hope, strength and joy.

**T**hank you for making Hannah's wish come true!
