

Khloie is a 3-year-old from Milwaukee who is living with a life-threatening neurological condition. She enjoys going for walks, watching TV and doing art projects. She wishes to go to *Walt Disney World*® Resort, and through your generosity, her wish will come true!

It will begin with a surprise limousine ride to the airport where Khloie and her family will catch their flight to Orlando. They will stay in their own private bungalow at a special resort designed just for wish children – Give Kids The World Village. They will take advantage of all the resort has to offer, including heated swimming pools, a movie theater, an ice cream parlor and miniature golf.

They will discover all the magic of Disney as they explore *Magic Kingdom*®, *Disney's Animal Kingdom*® Park, *Epcot*®, and *Disney's Hollywood Studios*™. One of the highlights will come when Khloie meets many of her favorite princesses. It will be the experience of a lifetime! Khloie and her family will return home with photos, souvenirs and priceless memories, giving them a healthy dose of hope, strength and joy.

Thank you for making Khloie's wish come true!
